Dear Members,
We hope everyone is safe and healthy. It has been an unusual and trying last four weeks for golfers and for our golf business. Hopefully, the rain and Covid 19 will soon be behind us and we will be getting back to normal. Unfortunately, with the bad weather we have had we are a little behind on our maintenance on the golf course and I apologize for that. Thanks to the golf course maintenance staff, the course will be back in great shape soon. We have several course projects in the works this summer. We plan on paving cart paths on the back nine by late June. We have updated to a new Point of Sales System this last month. Please be patient with us as we train and get use to the new system. The new system charges 4% on credit card transactions. To avoid this, you can pay with cash, checks or charge on your account. To pay dues and avoid Credit Card fees you have the options of draft payments, cash, check or online bill pay. We appreciate your loyalty during this unprecedented period. Our members are what makes Creeks Bend a special place.
